Dues

<input type="checkbox"/> Organizational Program Member – This category is open only to community residence programs which are operators or potential operators of community residence programs serving recovering alcoholics and other chemically dependent persons in the State of New York. An agency operating multiple programs may elect to have an organizational program membership for each individual program (PRU) or may elect to have a single agency membership for all PRU's. Each organizational program member shall have one vote on organizational matters.	\$100.00
<input type="checkbox"/> Organizational Associate – This category is open to agencies, organizations or institutions which act as referral sources to community residence programs in the State of New York, to out-of-state community residence operators or potential operators and to other organizations which provide care or demonstrate concern for the recovering alcoholic and other chemically dependent persons. Organizational Associate membership is non-voting on organizational matters.	\$25.00
<input type="checkbox"/> Individual Member - This category is open to staff, board members, alumni and other community residence program supporters. Such members shall make an active commitment to the meetings and activities of AARCH. Individual Membership is non-voting on organizational matters.	\$10.00
